COMMENTS FROM THE TOWN MANAGER'S OFFICE

Property tax collections for Oct. 31st amounts to \$66,073.03, which is comparable to a year ago. Excise tax payments have increased \$1,084.88 over last year, or a total of \$16,748.68.

The flood waters were responsible for an overdraft in the Roads and Bridges account. The funds in this account were practically expended and the work nearly done for this year. As it was quite necessary to make repairs after the flood water subsided, the account does now show a deficit of \$499.36.

As of Oct. 31st balances were shown in the following accounts: Winter Roads, \$2,144.04; Truck Rental, \$5,329.57; Surfacing, \$1,931.17; Surface Drains, \$142.46; Sidewalks, \$387.42; Town Welfare, \$919.90; Fire Department, \$2,665.51.

The balance in the winter roads account will be wiped out after the winter sand pile is erected, plus plowing that will undoubtedly come during December. The truck rental account shows a good balance, but there are several bills to be paid, and payments are currently being made on a plow frame purchased late in 1958. Another plow frame was recently purchased and will be paid for during 1960. The balance in the welfare department is very good in consideration that the appropriation was reduced \$500 at the last town meeting. Currently there is only one troublesome case. The fire department appropriation will be materially reduced when the annual payroll is paid in December and purchases are made of needed supplies.

In referring to the fire department how many realize the overcrowded condition in which your equipment is kept. It is something worth thinking about and giving serious consideration as to what may be done to correct the situation. Sincerely, Harold L. Bean

A joint meeting and supper of the American Legion and Auxiliary was held at the Legion Home Wednesday evening with 60 members and guests present. Lions Planning Holiday Street Lighting Program —Contributions Asked

At the October 26th meeting, the Bethel Lions Club voted to continue their annual Christmas Street Lighting program, providing sufficient funds were available to install overhead lights in the business section. As may be recalled there was some criticism about the fact that the 1958 Christmas lights were limited to two trees—one near the Common and the second by the Monument on Main Street. Many people perhaps do not realize the costs involved in carrying out an extensive lighting program. For example the two trees lighted in 1958 which required approximately 100 light bulbs cost the Lions Club more than \$25.00 for power alone. Nearly 500 bulbs are needed to cover the business section with overhead lights and the power costs rise proportionately. At the last regular town meeting the citizens of Bethel appropriated \$75.00 towards Christmas lighting and it is hoped that this will cover electrical power requirements if the lighting period is reduced to a maximum of two weeks.

The light bulbs are also an expensive item since their life is at best three years. During the past few years as a result of the Lions Club's Free Eyeglass Program for needy children, insufficient funds were available for normal light-bulb replacement and therefore a complete lighting program will require the purchase of almost 500 light bulbs at 20¢ per bulb. There is also a considerable amount of repair and replacement work necessary on the lines, part of which costs money and other, a good deal of time and energy on the part of the club members. Needless to say, the matter of installation is a considerable task in itself particularly on a cold, windy December day.

The Lions Club members are more than willing to contribute the time and energy required and probably the Club Treasury could stand some monetary assistance on the project. The Club, however, cannot carry the entire financial burden and continue their Free Eyeglass Programs. We therefore must appeal to the townspeople for additional funds. Several members have agreed to solicit contributions and it is hoped that those approached will be willing to help put the Christmas lights back in Bethel. Anyone willing to assist in this project may send their contributions to Jim Hutchings, Lions Club Treasurer.

— Mrs. Olive Davis, Corres. —
The Willing Workers held their chicken pie supper Wednesday evening with a very good attendance. We feel very grateful to those who cooked and those who attended. Also, all those who helped serve, should be doubly thanked.

Those who have been lucky enough to get their deer the first week were Lenwood Andrews, Kenneth and Leroy Kennison, James Andrews and Sayward Lamb.

The Union School pupils enjoyed the following films: Tomorrow Drivers and Our American Crossroads. The latter fitted in very well with the Third Grade Social Subject and proved very helpful in understanding the changing world.

Rank cards are in the making and will be passed out this coming week. Supt. Howard I. Libby made a visit this week. Both grades are working on a program which is to be put on the week of Thanksgiving.

It is not a Thanksgiving program but the yearly program that is usually held at this time, for the past two years.

Mrs. Jessie Andrews has been feeling rather mean of late. She is up around but needs to rest and take it a bit easier. She is under the doctor's care.

The hunters camps are full around here with out of state hunters mostly.

Monday night the seniors finally won the title of champions in their neg game with their hard-playing opponents, the sophomores, 4-1. They became the victors in a well-played game of two twenty-minute periods. This game was the deciding one after losing one game to the sophomores, playing two tie games with them, and beating them once before this last game. This puts seniors in the first place, sophomores second, juniors third, and freshmen last.

The Blue and Gold games, made up of the top ranking players from each class, will be played soon, thus ending the hockey season. Volleyball and bowling will start next Monday, lasting until shortly after Christmas.

Cross Country Team Suffers Third Loss to Hebron Academy. Don Angeline, with a time of 13:50, finished ahead of the field, but Hebron Academy's well-balanced team took 5 of the first 8 places to win the race 55-34. Record time for the 2 1/2 mile course is 12:57. Steve Hartman finished first for Hebron in second place.

The Hockey runners have completed their schedule with 10 wins and three losses. State Cross Country Meet Held at Orono.

Although Gould Academy finished 4th in the Class "M" State Championship Meet held in Orono last week, Don Angeline brought home the individual crown as he finished in first place. He finished with the fourth best time in the competition, 13:50. M and S, making him eligible to compete in the New England Cross Country Meet. Don's time was 12:57 as he finished only one step ahead of Hebron High's Alan Alvord who finished first last year. Gould's team score of 181 placed them in 7th place in a field of 29 competitors. Low score High, with a score of 80, is the new Class "M" State Champion. A point of interest is that Gould's three losses in cross country meet this season were to those teams who are this year's State Champions in the different divisions: Portland, Class L Champions; Phillips, Class S Champions; Hebron Academy, Prep School Champions.

Gould Academy came through with its fourth victory of the season last Saturday at Fryeburg. The Huskies have one tie game and two defeats against them.

After a scoreless first quarter, Pete Swallow raced to the F. A. 15 yard line. Doug Rice passed to Guy Burnham who carried to the 4 yard line. After a Gould penalty set the ball back on the 9, Rice passed to Nelson Smith for the first score. Pete Swallow rushed the extra point and the first half ended with a 7-0 lead for Gould.

The third period was Fryeburg's best as they advanced to the G. A. 6 yard line. On a flat pass from quarterback Walt Passett to end Bill Dudley, the home team scored. Jim Detert's place kick for the extra point made the score 7-7.

Gould, however, rallied in the final period to score twice. Three key passes were intercepted by the Huskies, halting Fryeburg and helping set up G. A. scores. The first score came with Guy Burnham scoring on the "Statute of Liberty" play from the 10 yard line. Burnham scored again later from the 4-yard line after a 25 yard drive following an interception of a Fryeburg pass. Both extra points failed and Gould finished with a 15-7 win.
